Key Features: -Create JPG, TIFF, WBMP, GIF, PNG format -No need of image editing software -Multi formats support -Create files with preset attributes such as JPG, TIFF, WBMP, GIF, PNG format -Save pictures or upload to FTP server -Embed pictures on your website -Remove the watermark from pictures -Support most hardware cameras and digital cameras -Create pictures in desired sizes such as 640x480, 800x600, 640x480, 800x600, 640x480, 800x600 -Set desired compression level for JPEG files such as 100%, 90%, 75% -Configurable can save images from 32bit/16bit to 24bit/32bit -Support for PictureBox, PictureBox1, PictureBox2, PictureBox3, PictureBox4 -Support PictureBox.ScaleImage -Configurable can crop images to square -Support Custom Thumbnail, Set image size, Set image name, Set thumbnail name and Set thumbnail size -No need to select or open a picture -Support loading pictures from digital camera or disk -Support JPEG images or BMP images -Support JPEG images or BMP images as thumbnail -Support for picture sizes -Support for watermarking images -Support for transparency (alpha channel) -Support for JPG images in black/white -Support for JPG images in color -Support for BMP images -Support for GIF images -Support for PNG images -Support for transparent PNG images -Support for animated GIFs -Save image files in PNG format -Save image files in JPG format -Support for GIF images -Support

What's New in the Butterfly?

Perhaps the most underrated draw app is a perfect tool for easily creating notes, sketches and drawings on the go. The application comes with a clean, non-distracting interface that is fast and simple to use. It is designed to let you capture everything, from a single simple line to complete designs. Its features include a great palette for adding colors, a pen for drawing, a ruler for measuring, an eraser, and tools for working on outlines, drawings and sketches. A simple tool that allows you to create, capture and edit notes and sketches. Features: • Simple, clean and modern interface • Attractive and versatile palette • Great efficiency for capturing notes and sketches • Great compatibility with other tools and services • Storing and sharing notes locally • Saving sketches in a vector format • The app can work in an offline mode • Additional add-ons are available Description: Perhaps the most underrated draw app is a perfect tool for easily creating notes, sketches and drawings on the go.
